

My Visit to the Dentist

Instructions: Read the social story with your child to learn the routine. Your child may also read the story independently.

Today I am going to the dentist. My family and I will walk into a large brick building.

The Pediatric Dentist keeps my teeth clean and healthy.

I will check in at the front desk and sit in the waiting room.

I can also play on the pirate ship playground while I wait.

When my name is called I will walk through a door and past brushing sinks to see the dentist.

I will go into a room full of dental chairs.

I will sit in a big chair that moves and leans back.

My dentist & hygienist have to wear a mask, gloves and glasses to get ready to look at my teeth.

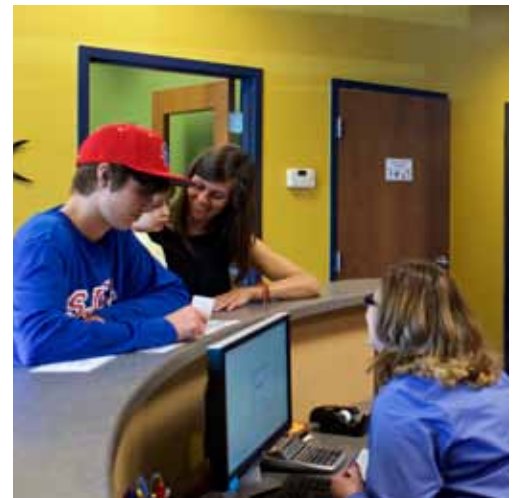

They will shine a light in my mouth. I have to sit still so the dentist can look at my teeth.

The dentist will check my teeth with special instruments.

I will open wide for the dentist to look inside my mouth.

We will check out and then it's time to leave. I did a great job!
